IMPORTANT INFORMATION

All treatments are subject to consultation and clinical suitability. Not every treatment is suitable for every patient, and treatment will only proceed where it is clinically appropriate.

Treatments are performed for cosmetic purposes only and are not intended to diagnose, treat or cure any medical condition. Results vary between individuals and cannot be guaranteed.

Prescription-only treatments are subject to a face-to-face consultation with a qualified prescriber. Final pricing is determined by your personalised treatment plan. Prices are correct as of November 2026 and may change without notice.
